## GloPatrol Michelle Twin Cities

Michelle's GloPatrol unit serves the greater Twin Cities area. As a former owner of two brick & mortar tanning salons, she has more than 1000 custom tanning sessions under her belt.

Michelle became an **evolv-certified technician** a few years ago when she saw the benefits of sunless tanning and the unprecedented advances in heat-infused technology. Her greatest satisfaction after a GloPatrol session is hearing, "Wow, my tan looks amazing and you made me feel so comfortable during the process."

"I love it, especially the warm air during the process."  
 "Amazing color! I love the ability to customize my tan to complement my natural skin tone."  
 "Golden. This does not look like a typical spray tan."

If scheduling a tanning session more than two days in advance, you may use the calendar below. Following your request, you will receive an email confirmation or contact from Michelle's GloPatrol to make arrangements. Please understand that, due to the nature of GloPatrol mobile tanning services, travel times may prevent all appointment requests from being honored. **If you would like a more immediate appointment, please contact Michelle directly at (651) 271-1473.**
